

Automotive Fluid Transfer Solutions

IATF 16949 : 2016 | ISO 9001 : 2015
ISO 14001 : 2015 | ISO 45001 : 2018

• *Trusted Aftermarket Solutions*

Towards Tomorrow...

Superior Fuel Resistance

Compatible with petrol and ethanol-blended fuels commonly used in today's vehicles.

Leak-Proof Construction and Connections

Precision manufacturing ensures secure connections and dependable performance.

Long Service Life

Resistant to heat, vibration, ozone, and engine compartment contaminants.

OEM Equivalent Standards

Manufactured using advanced processes and quality-tested materials.

Wide Vehicle Coverage

Extensive range covering leading Indian and international two-wheeler brands.

PRODUCT FEATURES

- Excellent flexibility for easy installation
- Heat and abrasion resistant outer layer
- Consistent dimensional accuracy
- Secure crimping and end fitting compatibility
- Quality tested for pressure and durability

QUALITY ASSURANCE

- Dimensional Verification
- Pressure Testing
- Leakage Testing
- Material Quality Validation
- Performance Evaluation
- Visual Inspection

KEY BENEFITS

- Improved fuel delivery reliability
- Reduced risk of fuel leakage
- Consistent engine performance
- Easy replacement and installation
- Cost-effective aftermarket solution
- Trusted quality for workshops and distributors

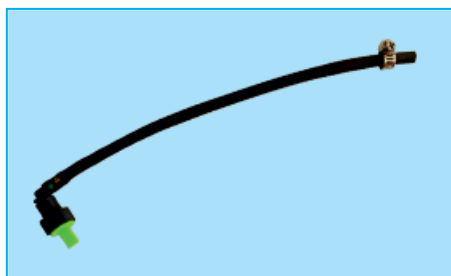

SAFETY NOTICE

Fuel injection systems operate under high pressure. Installation should be performed by qualified technicians using appropriate procedures and safety precautions.

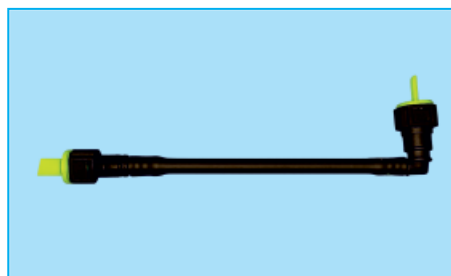

KEY FEATURES

- High-pressure EFI compatible
- Quality tested
- Leak-Proof construction
- OEM fitment

About Us

An IATF 16949:2016, ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 and ZED GOLD certified organisation supplying a diverse range of engineered components to India's automotive industry. We combine extrusion, assembly and quality testing capabilities under one roof - enabling fast development cycles and dependable supply

What We Manufacture :

- Nylon Fuel Assemblies • Teflon Hoses • Fuel Pipes • Nylon Braking Recoils
- FIP Lines • PU & PA6 Recoils • PA6, PA12 Pipes

Our Presence

- Commercial Vehicles.
- Passenger Vehicles.
- Agri Machinery.
- Earthmovers and Off Road Vehicles.
- Two & Three Wheelers.
- Electric Vehicles.
